

Dear Sirs,

Be it known that I vehemently oppose Bill HB 6355.

It is an unnecessary bill; there are laws and rules in place the need to be enforced. It will not serve to accomplish what it seeks to do.

Most importantly, it severely infringes numerous rights and privileges from both the US and CT constitutions.

Sincerely,

Eric Bleimeister

cell: 860-466-0181

Sincerely,

Eric Bleimeister
